The best part is that while you can browse through new books according to your choice, you can also read user reviews before you download a book.

David Brown 850 950 Implematic

The David Brown 950 Implematic was introduced in September 1959 to upgrade the David Brown 950. The tractor had a Red colour scheme with powder cream wheel centres and grills. A range of engine options for all fuels was offered. The model was upgraded to the David Brown 950 Implematic (A&B version) in December 1960.

David Brown 950 Implematic | Tractor & Construction Plant ...

850 Series (1961-1965) Whilst the 950 was taking care of the main end of the market, David Browns remained conscious of the fact that a smaller tractor would have a ready appeal.

850 Series (1961-1965) | David Brown Tractors

This resulted in the poor farmer having his choice of equipment restricted, and it was a situation that remained deadlocked until David Brown introduced the Implematic. At the 1959 Smithfield Show the 950 Implematic (V and W versions) went on display, featuring an ingenious modification to the hydraulic system which permitted the operation of dual implement types, plus differential lock - and all at no extra cost!
