Hate Crimes Criminal Law And

Hate Crime Law: A specific statute that criminalizes acts motivated by the victim's identity with a particular group or groups. Often these groups include race, religion, national origin, and disability. Data Collection: State law requires that data be collected about hate crimes. Often this data is collected by state law enforcement agencies or a records agency and includes information about the motivations, victims, and perpetrators of hate crimes.

Laws and Policies | HATECRIMES | Department of Justice

Since 1968, when Congress passed, and President Lyndon Johnson signed into law, the first federal hate crimes statute, the Department of Justice has been enforcing federal hate crimes laws. The 1968 statute made it a crime to use, or threaten to use, force to willfully interfere with any person because of race, color, religion, or national origin and because the person is participating in a federally protected activity, such as public education, employment, jury service, travel, or the ...
