Cal October 18, 2013 Ammo & Handloading, Brass, Bullets, Load Development, Primers, Reference 20. Back in 1993, Precision Shooting Magazine printed a landmark article about the findings of a group of benchrest shooters who turned a huge Houston warehouse into a precision shooting laboratory. The warehouse, owned by Virgil King, included a 325 yard long straight-away through the heart of it, which provided an ideal shooting environment where the breezes never blew, the mirage never shimmered ...

Vintage magazines for gun collectors and trapping experts have been produced for nearly a century. In fact, gun magazines were common in the early days of the magazine era. They were originally designed as a simple collection of information on various handguns and firearms. As a result, each issue was pretty basic in the beginning.
