Prudence Basic Knowledge 101

Prudence is the application of universal principles to particular situations.[5] "Integral parts" of virtues, in Scholastic philosophy, are the elements that must be present for any complete or perfect act of the virtue. The following are the integral parts of prudence:

Memoria: accurate memory; that is, memory that is true to reality; an ability to learn from experience; [5]

Prudence

sets forth basic requirements for satisfying the standard of prudence, including a requirement that an institution make a reasonable effort to verify facts relevant to the management and investment of the fund, and that an institution only incur costs that are reasonable and appropriate.
