Representations of the Intellectual - Kindle edition by ...

"Representations of the Intellectual" is a compilation of the six Reith Lectures that Edward Said delivered over BBC Radio in 1993. The title is somewhat misleading: Said doesn't really examine representations of intellectuals so much as offers a prescriptive way he thinks they should function within a society.

Representations of the Intellectual by Edward W. Said

In these wide-ranging essays, one of our most brilliant and fiercely independent public thinkers addresses this question with extraordinary eloquence. Said sees the the intellectual as an exile and amateur whose role it is "to speak the truth to power" even at the risk of ostracism or imprisonment. Drawing on the examples of Jonathan Swift and Theodor Adorno, Robert Oppenheimer and Henry Kissinger, Vietnam and the Gulf War, Said explores the implications of this idea and shows what happens ...
