Balance Obesity Worries With a Holistic Health Focus Fixating on weight or encouraging kids to be overly circumspect about food can put kids at risk. By Jill Castle , Contributor Aug. 30, 2019

## **Balance Obesity Worries With a Holistic ... - US News Health**

I run a wellness program that supports the whole person and promotes healthy habits and lifestyles- not weight. Weight is just one measure of health and not the only one nor the most important. There are too many unhealthy ways to lose weight that feed into the cycle of disordered eating that have nothing to do with good wellbeing.

## **Workplace Wellness That Promotes Stigma, Not Health ...**

Overweight is a major issue as many of the health conditions such as diabetes, heart disease and obesity are due to increased body fat. Reducing the quantity of food or starving is not the solution for losing weight as it may cause a deficiency of many essential nutrients in the body.
